2022 SCHA Event Volunteering Opportunities

Every year, SCHA sponsors a series of fun and exciting events for **ALL** ages (not just the kids). In addition to these fun events, the SCHA also maintains our entrance signs, lighting and landscaping, hosts a community web site, publishes informative bi-monthly newsletters as well as a tremendously useful phone and services directory, AND serves as an important communications connection to all things affecting our great neighborhood and its great residents. Of course, this all requires funding from our residents. Our success and growth depends **entirely** on **membership funding**, and our activities and events rely on **VOLUNTEERS!**

- Membership entitles you to attend every fun event **free of charge!** So send in your 2022 dues today!
- There's always something going on & it's a terrific way to meet your neighbors!
- It's a good feeling to get out, share your talents & stay involved in your active community!
